

Possible routes to completing the Area F Foreign Language Requirement for B.A. Students

FREN, GRMN, SPAN 1001/1002/2001/2002

These alternatives assume that a student begins with 1001. A student may place into a higher level by taking a **placement exam** administered by the FLL Department. These exams are given at new-student orientation. Students who took a foreign language in high school and have not taken a placement exam at orientation should be sent to Cobb 107 to arrange to take the exam.

	4 semesters	3 semesters	2 semesters
French	four semesters on campus (no summer courses)	two semesters on campus and two semesters in Summer Study Abroad in Tours	
German	fours semesters on campus (no summer courses)	Block Elementary German (1001/1002) during Spring Semester, followed by 2001/2002 on campus the following academic year.	Block Elementary German (1001/1002) during Spring Semester, followed by Summer Study Abroad in Oldenburg
Spanish	four semesters on campus (without taking summer courses)	1001 during Fall Semester, 1002 during Spring Semester, 2001/2002 during summer semester (either on campus or through Study Abroad in Costa Rica)	

Things to remember:

- Students should begin their foreign language coursework EARLY in their undergraduate program.
- Elementary and Intermediate Language Courses may not be taken concurrently
- A grade of “C” or above is required to pass to the next course in the sequence (1001/1002/2001/2002)
- The requirement can only be fulfilled by the successful completion of a foreign-language course at the 2002 level. If a student takes a language that we do not offer at this level at UWG at another institution, it will be very difficult to obtain the 2002 credit required to fulfill the requirement.
- Even if your degree program does not require a foreign-language, completion of coursework or a minor in French, German, or Spanish and/or participation in Study Abroad can enhance academic and career opportunities available to students in the future. In addition, FREN/GERM/SPAN 1001 and 1002 fulfill Area B1 in the Core. FREN/GERM/SPAN 1001, 1002, 2001, and 2002 fulfill Area C2.
- Students with extensive experience or a high-level of proficiency in French, Spanish, or German may obtain credit by successful completion of a CLEP exam administered by Testing and Learning Support (Strozier Hall)
- Students whose native language is not English will have their Area F foreign language requirement waived if they can supply transcripts that demonstrate that the language of secondary education was not English.
- Students who successfully complete an upper-level foreign language course with a grade of “B” or better can purchase the credit for lower-level courses that are prerequisite to the course they took. The cost is \$6 per credit hour.
